6

Arsenic Should Be Banned in ALL Animal Feed!!

Roxarsone put in animal feed which is an inorganic form of arsenic. But it doesn't just effect the chicken and those who consume it... It effects the whole ecosystem!

7

EGGS

- Perfect Food
- Exceptionally Nutritious
- A nursing mom in China may eat up to 10 eggs/day
- Brain food
- Profound difference in pastured egg and commercial egg

8
